

Roadrunner Financial[®]

Octane: Who we are

We are a digital-to-retail buying experience that helps consumers find and purchase trailers by partnering with manufacturers and dealers to provide competitive and seamless financing to close transactions at the point of sale.

National coverage

Financing available throughout the continental U.S.

More coverage than other national lenders

We're a prime lender that enables more customers to enhance their buying power. Providing coverage across the credit spectrum from 600 - 800+ FICO.

All segments

Coverage across open, enclosed & marine trailers, regardless of the brand.

Competitive rates and Dealer compensation

- Competitive Prime rates with instant decisions
- Lower monthly payments with terms up to 72 months
- No hidden fees and zero customer fees
- 130% advance to make prime deals quick, simple, and super flexible for your customers
- Soft Pulls instant financing offers with no credit impact
